

### REMARKS

Claims 30-40 were withdrawn and have been cancelled. The Advisory Action indicates that the rejections of the remaining claims were withdrawn and Claim 14 was objected to. Claims 1, 3-5, 9-10, 12-13, 15, 17-21, and 27-29 are mentioned as being allowed. Claim 21, which depends from Claim 4 was not addressed. Claims 4 and 21 were amended.

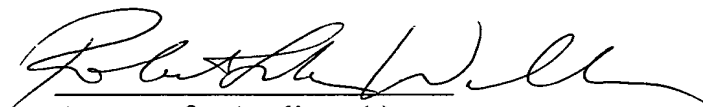

Claim 4 was amended to depend, as it did originally, from Claim 1 and to match the terminology of Claim 1.

To further prosecution, it has been assumed that Claim 21 was objected to and Claim 21 has been amended to traditional Markush language (MPEP 2173.05(h)).

It is believed that these changes now make the claims clear and definite and, if there are any problems with these changes, Applicants' attorney would appreciate a telephone call.

In view of the foregoing, it is believed none of the references, taken singly or in combination, disclose the claimed invention. Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

Attorney for Applicant(s)  
Registration No. 30,700
